BRIGHTER HOPE CAMPAIGN

Connecticut Children's Medical Center, located in Hartford, CT, is the only medical center in the state that's 100% focused on caring for children; from infants to teens.

Each year, the center has more than 230,000 patient visits, performs more than 8,500 surgeries and provides emergency care to more than 41,000 children.

The Brighter Hope Campaign focuses on building a new Clinical Care Center for Cancer and Blood Disorders. This allows the integration of children's care into one location, improve the care experience and incorporate research into the program.

As a non-profit organization, Connecticut Children's Medical Center relies on the generosity of the people in the community. Over the next three years, Origin Healthcare Solutions 'One Swing Closer' golf event hopes to raise over \$60,000 for the Brighter Hope Campaign. Please help us reach our goal with your participation.
